

Dear Mount Diablo Chapter Board

SuperStar Award

ASTD would like to congratulate your chapter for being a chapter membership SUPERSTAR. To achieve SUPERSTAR status your chapter's joint national and chapter membership percentage as of December 31, 2009, must have been over 50 percent. The Mount Diablo Chapter

Board joint membership percentage was 52%, which exceeded the 30 percent Chapter Operating Requirement (CORE).

This is an outstanding achievement and shows the chapter's commitment to informing members of the benefits of both ASTD national and the local chapter. Also, certificates will be mailed to the current Chapter President, for the 2008 Chapter President and 2008 Membership Director. Please present these certificates to them at your upcoming chapter board meeting.

Congratulations and thank you for your leadership!
