4. Correspondence by the VP Communication

We send out two monthly e-mail blasts that promote the upcoming meeting and provide practical information about development opportunities around the Bay Area for chapter members.

5. Bay Area Member Access to Multiple Chapters

You may attend any of the programs of the five ASTD chapters in the region: Silicon Valley, Golden Gate, Sacramento, North Bay and Las Vegas at the member rate. We also reciprocate this benefit for their members. On the Mt. Diablo ASTD website under the Meeting tabs, there are links that will take you to the websites of each of these chapters so you can check our six program offerings each month!

6. National Web Site

National ASTD also offers national membership at \$180/year. If you go to www.astd.org, the job search link is open to non-members as a community service.

7. Volunteer Opportunities

Volunteering is a great way to know more about other members in the chapter, and just as importantly, it is an opportunity for them to know about YOU! It can also be a great learning opportunity! You get what you put in, as the saying goes! You may opt to volunteer in any of these areas: Membership, Marketing & Communications, Professional Development, Community Outreach, Finance and the Annual Expo. We will be happy to put you in touch with the appropriate board member.

We look forward to your decision to join us as a member – I am confident you will enjoy the group. You will find the Mt. Diablo chapter to be full of interesting people willing to share their knowledge and experiences with you.

Let me know how I can help!
